

EMPOWER A GENERATION

LA CASA NORTE'S VIRTUAL EDUCATION WEEK

MAY 3 - MAY 5, 2021

La Casa Norte's mission is to serve youth and families experiencing homelessness. We deliver comprehensive services that transform lives and communities.

At La Casa Norte, education is woven into everything we do. From tutoring and mentoring youth at our Drop-In Centers, to food education and cooking demonstrations at our Nutrition Center, to college scholarships for our Youth in College Program, we know that when you provide an education, it transforms lives and empowers individuals to reach their full potential.

While we are unable to gather in person this year at our Annual Education Luncheon, we will gather online to share updates and pay tribute to the transformational power of education at La Casa Norte. Join us as we share inspirational stories of hope from our youth and families.

It's because of supporters like you that La Casa Norte was able to not only remain open during the COVID-19 pandemic but expand our services to meet the needs of our youth and families. In 2020, we doubled our impact by serving more than 18,600 individuals. With your support, we will be able to continue to grow and serve those who need us most.

We invite you to join us for this three-day campaign and help us continue to empower a generation through the power of education.
