La Casa Norte's 11th Annual Gala

La Casa Norte, an award-winning organization providing housing and services to youth and families confronting homelessness in Chicago, hosted its annual gala at the historic Harold Washington Library's Winter Garden. Entitled "Because Every Child Deserves a Bed of Their Own," the event was awarded the Esperanza Award to Kathy Deveny of Glencoe for her family's hands-on involvement in La Casa Norte for the past five years. More than \$165,000 was raised to support programs providing emergency, transitional, and permanent supportive housing for youth and families. lacasanorte.org
