Blakedale Interiors

Haymarket Accessories

Patti Morrell joined the La Casa Norte Board of Directors in 2015.

Currently, Patti is the co-owner and operator of Blakedale Interiors and Haymarket Accessories. Patti works with individuals and families to redesign and renovate interior living spaces. She also offers specialized services to clients, such as transitioning between life stages, designing functionality to accommodate medical needs, executive functioning skills, downsizing homes, and managing estate sales.

Prior to working in interior design, Patti served as a Lake County Child Welfare Advocate with Court Appointed Special Advocates (CASA) for Children for six years. During her time at CASA, Patti received an Advocate of the Year award for her commitment, passion and advocacy work for the families she supported.

In addition to her work, Patti has dedicated the last 30 years volunteering her time to several organizations. She has served as a Board Member for her community's nursery school, and served as a PTO member for ten years, managing fundraising efforts for their school district.

Patti graduated from Ripon College with a Bachelor's of Arts degree in Anthropology, Sociology and Education. Patti's hobbies include gardening, knitting, harvesting bees, cooking, filmmaking, and spending time with her family.
